

Leave of Absence Fact Sheet

When applying for a leave, please follow the steps below. Any questions may be directed to your Benefits Counselor in Human Resources at 309-438-8311 or hrbenefits@ilstu.edu.

Step 1: Review the papers in this packet. Submit all pages of the application materials to Human Resources at 101 Nelson Smith Building, via email at hrbenefits@ilstu.edu, or via fax at 309-438-7421. We request your application for leave at least 30 days prior to your leave begin date. If 30-days' notice is not feasible, then notification must be as soon as possible.

Step 2: Provide Human Resources with the required supporting documentation within 15 calendar days of your leave begin date or application submission date, whichever is later. If you anticipate a delay in providing this documentation, please contact your Benefits Counselor to discuss the situation. Documentation can be submitted to Human Resources at 101 Nelson Smith Building, via fax at 309-438-7421, or via email at hrbenefits@ilstu.edu. It is your responsibility to ensure Human Resources has received the required documentation.

Step 3: Advise your Benefits Counselor throughout your leave of any changes to your anticipated leave start or return to work date(s).

Step 4: Returning to Work

If you have been on a leave for your own serious health condition, you must provide a physician's release to Human Resources as soon as you receive it.

If your physician returns you to work with restrictions or on a part-time basis, the University may need up to five working days to determine if you will be able to perform your duties according to your job description. During this five-day period, you will remain on leave. You cannot return to work until the University agrees to accept the limitations.

If you are an individual with a disability and need a reasonable accommodation under the Americans with Disabilities Act (ADA) or other state or federal law, you may request an accommodation by contacting the Office of Equal Opportunity and Access at 309-438-3383. More information is available at: <https://policy.illinoisstate.edu/conduct/1-3-1.shtml>

If you have been on a leave to care for a family member, you do not need to provide a physician's release to Human Resources. You do need to communicate your return to work date to your Benefits Counselor as soon as it is known.

Communication

Communication regarding your leave request will be sent via e-mail to your ilstu.edu account. It is your responsibility to ensure your email account remains active while on leave. Contact the Technology Support Center at 309-438-4357 for assistance.

Notice of Rights and Responsibilities for FMLA Protected Leaves

FMLA Leave Entitlement

You have a right under the FMLA to take unpaid, job-protected FMLA leave in a 12-month period for certain family and medical reasons, including up to **12 weeks** of unpaid leave in a 12-month period for the birth of a child or placement of a child for adoption or foster care, for a leave related to your own or a family member's serious health condition, or for certain qualifying exigencies related to the deployment of a military member to covered active duty. You also have a right under the FMLA to take up to **26 weeks** of unpaid, job-protected FMLA leave in a single 12-month period to care for a covered servicemember with a serious injury or illness (*Military Caregiver Leave*).

The 12-month period for FMLA leave is calculated as a "rolling" 12-month period measured backward from the date of any FMLA leave usage. (*Each time an employee takes FMLA leave, the remaining leave is the balance of the 12 weeks not used during the 12 months immediately before the FMLA leave is to start*).

All FMLA leave must be used for the designated leave purpose.

Substitution of Paid Leave

You have a right under the FMLA to request that your accrued paid leave be substituted for your FMLA leave. This means that you can request that your accrued paid leave run concurrently with some or all of your unpaid FMLA leave, provided you meet any applicable requirements of our leave policy. Concurrent leave use means the absence will count against both the designated paid leave and unpaid FMLA leave at the same time. If you do not meet the requirements for taking paid leave, you remain entitled to take available unpaid FMLA leave in the applicable 12-month period. Even if you do not request it, the FMLA allows us to require you to use your available sick, vacation, or other paid leave during your FMLA absence.

*University policy requires you to use all of your available paid leave during your FMLA leave. Any paid leave taken for this reason will also be designated as FMLA leave and counted against the amount of FMLA leave you have available to use in the applicable 12-month period.

Maintain Health Benefits

Your health benefits must be maintained during any period of FMLA leave under the same conditions as if you continued to work. During any paid portion of FMLA leave, your share of any premiums will be paid by the method normally used during any paid leave. During any unpaid portion of FMLA leave, you must continue to make any normal contributions to the cost of the health insurance premiums by paying the State of Illinois directly. Failure to submit payment to the State of Illinois for premiums may result in cancellation of coverage.

You may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave if you do not return to work following unpaid FMLA leave for a reason other than: the continuation, recurrence, or onset of your or your family member's serious health condition which would entitle you to FMLA leave; or the continuation, recurrence, or onset of a covered servicemember's serious injury or illness which would entitle you to FMLA leave; or other circumstances beyond your control.

Other Employee Benefits

Upon your return from FMLA leave, your other employee benefits, such as pensions or life insurance, must be resumed in the same manner and at the same levels as provided when your FMLA leave began.

Return-to-Work Requirements

You must be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from FMLA-protected leave. An equivalent position is one that is virtually identical to your former position in terms of pay, benefits, and working conditions. At the end of your FMLA leave, all benefits must also be resumed in the same manner and at the same level provided when the leave began. You do not have return-to-work rights under the FMLA if you need leave beyond the amount of FMLA leave you have available to use.
